JULY 1964

CONTINUOUS INSPECTION SERVICE

The accompanying list covers plants under USDA continuous inspection service for processed fruits and vegetables and related products. Under this type of service an inspector is on duty continuously while the plant is in operation. To qualify for this service, plants must meet high standards of sanitation in accordance with Department Regulations Governing the Inspection and Certification of Processed Fruits and Vegetables.

Products packed under this service may be labeled as to grade with the "U. S." prefix preceding the grade statement and may also be labeled as "Packed under continuous inspection of the U. S. Department of Agriculture" as indicated in the official USDA marks shown below.
